Essager ECTAC-BRB01-Z GaN 3xUSB-C, 2xUSB-A, 75W AC outlet charger (black)

The Essager ECTAC-BRB01-Z power charger combines the functionality of a charger with a power outlet. With three USB-C ports two USB-A ports and an AC outlet, it allows you to charge and power multiple devices simultaneously. It offers 75 watts of output power for the USB ports and as much as 4,000 watts for the AC outlet, making it ideal for both charging small electronics and powering higher-powered devices.

Versatility and power

The ECTAC-BRB01-Z supports output power of up to 75 watts for USB ports and as much as 4,000 watts for an AC outlet, making it ideal for both charging and powering a variety of equipment. You can connect as many as six devices to it simultaneously, such as a smartphone, tablet, laptop, headphones, Nintendo Switch, and printer.

Fast charging

Thanks to GaN Pro technology, the Essager charger provides more efficient charging and safer use. It supports various fast charging protocols, including PPS, PD3.0, PD2.0, QC4.0, QC3.0, QC2.0, FCP, SCP, BC1.2, DCP, Apple 2.4A, Samsung 2A and Samsung AFC. It will charge a Huawei P50 Pro up to 64% and an iPad up to 60% in 30 minutes, making it ideal for quick charging in emergency situations.

Use it safely

The Essager ECTAC-BRB01-Z charger is equipped with protection against overcharging, overheating, short circuit and other potential hazards. An intelligent power management system adjusts the charging power to the connected device for optimal and safe charging.
