

### Wall charger, Essager, ECTAC-DYB01-Z, GaN, 2xUSB-C, USB-A, 6

Ref: 6971958730742

Wall charger, Essager, ECTAC-DYB01-Z, GaN, 2xUSB-C, USB-A, 67W (black)

Essager ECTAC-DYB01-Z GaN 2xUSB-C, USB-A 67W mains charger (black).

Essager ECTAC-DYB01-Z mains charger combines modern technology and high charging power. With three ports (2x USB-C, 1x USB-A) and 67W of power, it will charge a variety of devices, including smartphones, tablets, laptops and Nintendo Switch. In addition, the use of gallium nitride translates into efficient operation and a smaller charger design.

Renew your equipment's energy in a short time

The Essager ECTAC-DYB01-Z charger uses GaN SOOC technology, which significantly improves charging performance. It will charge your iPhone 14 to 60% in just 30 minutes. The USB-C ports offer 67W of power, allowing you to charge even the most demanding devices quickly and efficiently. The USB-A port provides 20W of power, and port combinations allow you to charge several devices simultaneously with optimal power.

Versatility and compatibility

The ECTAC-DYB01-Z supports multiple fast charging protocols, including PPS, PD3.0, PD2.0, QC4.0, QC3.0, QC2.0, FCP, SCP, BC1.2, DCP, Apple 2.4A, Samsung 2A and Samsung AFC. This makes the charger compatible with a wide range of devices, from smartphones to tablets to laptops and Nintendo Switch consoles. The ability to charge three devices simultaneously makes it ideal for those with multiple mobile devices.

### Safe use

The Essager charger is equipped with a number of safety features that protect the device from overcharging, short circuit, overcurrent and overheating. An intelligent power management system adjusts the charging power to the connected device, ensuring optimal and safe charging. The universal input voltage of 100-240V allows the charger to be used worldwide, making it the perfect travel companion.
