Essager ECT67W-LJB01-Z GaN 2xUSB-C, USB-A 67W network charger (black).

The Essager ECT67W-LJB01-Z network charger is the solution for anyone who needs fast and efficient charging of multiple devices simultaneously. With advanced GaN technology and three ports (2x USB-C, 1x USB-A) with a total power of 67W, the charger is compatible with smartphones, laptops, tablets and other small mobile devices.

High performance and versatility

The Essager ECT67W-LJB01-Z charger is designed for users who need to charge their devices quickly. Thanks to GaN technology and the SOC standard, the charger features high power conversion efficiency, resulting in faster charging. The ability to charge three devices simultaneously makes it ideal for everyday use at home, in the office or while traveling.

Wide compatibility

The charger supports a wide range of fast charging protocols, such as PPS, PD3.0, QC2.0/3.0/4.0, SPC, FCP, BC1.2, Apple 2.4A, AFC and others. This means you can charge both laptops, tablets, smartphones and devices like the Nintendo Switch without any problems.

Safety and smart features

The Essager ECT67W-LJB01-Z charger ensures complete safety of use with protection against short circuit, overheating, overcurrent and

overcharging. This ensures that your devices are always protected and quickly charged.
