TWS Transformers TF-T03 headphones (yellow)

The TWS Transformers TF-T03 headphones are the perfect combination of advanced technology and a unique design inspired by the Bumblebee character. With Bluetooth 5.3 connectivity and dynamic 13mm drivers, they offer exceptional sound quality that will delight any audio enthusiast. Whether you're listening to music, watching movies or playing games, now you can enjoy the immersion of your dreams and experience unforgettable emotions.

Stunning HiFi stereo sound

The Transformers TF-T03 headphones are equipped with 13mm drivers that deliver full, rich sound over a wide frequency response from 20 Hz to 20 kHz. High-quality HiFi stereo sound ensures that every detail is rendered with incredible precision. Strong bass, clear mids and crisp highs guarantee a unique musical experience that will meet the expectations of any music lover.

Powerful battery

The TF-T03 headphones stand out for their long runtime thanks to their 25 mAh rechargeable batteries. In addition, the charging case designed for them, which also serves as a protective case, provides additional hours of playback and charging on the go. In total, you gain up to 20 hours of listening to your favorite playlists! And in standby mode, the TF-T03s last up to 160 hours. So they can be ready for action whenever you need them!

Advanced Bluetooth 5.3 technology

The TF-T03 use Bluetooth 5.3 technology, which provides a stable, reliable connection with a range of up to 10 meters. It also makes the headphones more energy-efficient, which translates into longer operating time. Their additional advantage is fast, automatic pairing with devices and low latency, which allows you to enjoy perfect synchronization of video and audio. This is an ideal option not only for music lovers, but also for gaming fans!

Stylish design and wearing comfort

TF-T03 is more than just sound - it's also style. Modern design and Bumblebee motifs give them a unique character that is sure to make you stand out in the crowd. But that's not all - the transparent case with dynamic backlighting provides even more interesting visual effects. Also noteworthy is the ergonomic shape of the headphones, which guarantees comfortable wearing for long hours.

Compatibility with many devices

The TF-T03 is compatible with a wide range of devices - from Android and iOS smartphones to Windows laptops. No matter what hardware you use, the headphones will give you a smooth connection and fantastic sound quality.
