TWS Choetech BH-T15 ANC+ENC Wireless Headphones (black)

Choetech BH-T15 wireless headphones are the perfect choice for anyone who appreciates style, comfort and high quality sound. With advanced noise cancellation technology, lightweight design and smart touch control, they offer an exceptional audio experience in any situation. Choose Choetech BH-T15 and enjoy uninterrupted sound quality and convenience wherever you go.

Stylish minimalism and comfort

Choetech headphones combine modern design with exceptional comfort. Their minimalist design and perfect fit to the ear make them not only aesthetically pleasing, but also extremely comfortable to wear. Thanks to their compact size - smaller than a credit card - the charging case with the headphones will easily fit in your pocket, making the equipment an ideal companion for everyday travel. Whether you're listening to music, making phone calls or playing games, Choetech headphones will meet your needs.

Advanced ANC technology

Choetech BH-T15 offer three active noise cancellation modes: ANC On, ANC Off and ANC Pass Through. With four built-in microphones that effectively eliminate background noise, you can fully immerse yourself in your music or conversations without being distracted by outside sounds. Enjoy high-quality, clear sound anywhere.

Connectivity and rechargeable battery

The headphones support state-of-the-art Bluetooth 5.2 technology, which provides a stable and seamless range for easy connection to various devices such as smartphones, tablets and laptops. The powerful 50 mAh battery provides up to 6 hours of continuous use and 5 hours with ANC mode on. A charging case with a 380 mAh battery extends the headphones' life, and a quick charge of just 1.5 hours allows you to get back to listening to your favorite music immediately.

Smart touch controls

Smart touch panels on the headphones allow you to easily manage various functions. Resume and stop music, answer and reject phone calls, switch between songs, adjust volume and activate the voice assistant - all with simple touches.
