

## Headphone holder with USB New Bee NB-Z12 RGB

Headphone holder with USB New Bee NB-Z12 RGB

Ref: 5906168439742

Headphone holder with USB New Bee NB-Z12 RGB

Complete your gamer's workstation with the Ne Bee NB-Z11 holder. The product provides safe storage for headphones, and thanks to RGB backlighting it looks great. What's more, it can act as a charger - both wired and wireless. You can connect several devices to it at the same time, saving you time. In addition, wide compatibility increases the functionality of the product.

Conveniently charge your equipment

New Bee NB-Z12 is not only a stylish accessory, but also a practical charger. The mount offers 2 USB-C 2.0 ports and a USB-A 2.0 port, so you can connect your smartphone, keyboard, microphone, fan and more. In addition, the product offers 5W inductive charging. This way you will renew the energy of, for example, wireless headphones or a smartphone - the holder supports Apple, Samsung, Xiaomi and Huawei devices.

Robust design

Have confidence that your headphones are safe and protected from damage. The New Bee NB-Z12 holder was created from durable aluminum alloy, which translates into its durability. What's more, the soft silicone headband pad protects your headphones from scratches, and the non-slip base ensures stability.

### Colorful backlighting

Customize the color of the backlight to your liking. There are 2 modes at your disposal - you can choose a single pulsating light or set the NB-Z12's operation to change backlight colors. Available colors include red, blue, green and purple. Changing the settings will make it easier for you with a dedicated button on the base.
