

Gens ace Advanced 5500mAh 7.6V 100C 2S1P HardCase Lipo Batte

Ref: 6928493308066

Gens ace Advanced 5500mAh 7.6V 100C 2S1P HardCase Lipo Battery Pack with XT60

Gens ace Advanced 5500mAh 7.6V 100C 2S1P HardCase Lipo Battery with XT60 Connector

Gens ace Advanced 5500mAh 7.6V 100C 2S1P HardCase Lipo Battery with XT60 Connector (model GEA55002S10X6) is a product designed for advanced users who value top performance and innovative technology. Its unique hard case design not only protects the cells from mechanical damage, but also integrates a number of smart features, including an LED power indicator and voltage status indicator, which allows you to monitor the status of the battery in real time. The 5500mAh capacity and 7.6V voltage, combined with a high discharge rate of 100C, ensure long-lasting and stable operation. Additional features, such as self-storage mode and an anti-overcharging system, increase the safety of use and extend the life of the battery. Its compact size (155 × 46 × 26 mm) and weight (290 g) make it an ideal choice for applications requiring a reliable and powerful power source.
