

3-in-1 USB-C to USB-C / Lightning / Micro USB cable, Mcdodo

3-in-1 USB-C to USB-C / Lightning / Micro USB cable, Mcdodo CA-3730, 1.2m (black)

Ref: 6921002637305

3-in-1 USB-C to USB-C / Lightning / Micro USB cable, Mcdodo CA-3730, 1.2m (black).

The Mcdodo CA-3730 cable offers three interfaces (USB-C, Lightning, Micro USB) and 5 levels of length adjustment. With a maximum current of 6A, power of 66W and support for fast charging, the cable allows you to charge three devices simultaneously, and transfer data at 480 Mbps. Made of durable materials, it ensures safety and reliability in daily use.

Versatility and high power

Mcdodo CA-3730 is equipped with three different connectors: USB-C, Lightning and Micro USB, allowing it to charge a wide range of devices, from smartphones and tablets to headphones. With a maximum current of 6A and output power of up to 66W, the cable provides fast charging, supporting DCP, FCP, AFC, VOOC and QC3.0 protocols. As a result, the Huawei Mate 40 Pro can be charged up to 86% in just 30 minutes.

User-friendly

The Mcdodo CA-3730 cable offers an adjustable length function in five levels: 9 cm, 36 cm, 62 cm, 78 cm and 92 cm, allowing you to adjust it to different needs and situations. In addition, with the ability to charge three devices simultaneously, it is ideal for people who use multiple equipment with different interfaces.

Durability and safety

Made of durable materials such as PC, TPE and aluminum alloy, the cable is resistant to oxidation and mechanical damage. The cable's smooth uncoiling mechanism without jamming and anti-tangle design make it convenient and hassle-free to use.

Efficient data transfer

Mcdodo CA-3730 provides data transfer at 480 Mbps, which allows you to quickly transfer files between devices. This is extremely useful for people who frequently synchronize data between different devices.
