Powerbank 5000mAh Vention FHWO 20W + USB-C to lightning cable (blue).

Don't let the devices you need discharge at the wrong time. The Vention FHWO powerbank offers a capacity of 5000mAh, and its power reaches 20W. With a USB-C/Lightning fast charging cable, you can be sure to have the equipment you need ready to go in no time. The compact design makes it easy to carry and transport.

Practical cable

The Vention powerbank is equipped with a USB-C to Lightning fast charging cable, which provides wide compatibility and allows you to renew energy with up to 20 watts of power. The accessory also acts as a lanyard and makes it easy to carry and transport the device - you can conveniently attach it to your bag!

Refined design

The size of the powerbank is about the size of a lipstick - its dimensions are 30 x 30 x 99.8 mm. The stylish design will delight many users, and practical LED indicators inform about the charging status. The product also meets the requirements of airlines, so it can accompany you on board a plane.

Powerful and widely compatible

The capacity of 5000 mAh allows you to prepare a compatible device for a full day of work. You will successfully use the powerbank with the case of smartphones, tablets, wireless headphones, watches and mini fans, among others.

Security features

Have confidence that charging is always done safely. The powerbank's lithium-polymer battery provides protection against short-circuit, overvoltage, overcharge, over-discharge, reverse polarity and overload.
