iPega PG-9217A wireless gaming controller

Do you like mobile games? Are you looking for a way to make your gameplay more comfortable and get a string of consecutive victories? PG-9217A is the perfect answer to your needs! This wireless gaming controller is compatible with smartphones measuring 135-165 mm, and its ergonomic design allows you to play comfortably for hours. What's more, thanks to its carefully thought-out design, the device fits perfectly to your phone and ensures its stable, secure attachment.

Wide compatibility

The controller works with most popular smartphone models. It supports Android and iOS devices (versions 11.0-13.3.1). Moreover, it is compatible with PC, PS3 and Nintendo Switch. So you will successfully use it to play games on the hardware of your choice. The width of the gamepad can be adjusted in the range of 135-165 mm. Note: PG-9217A does not support phones with Mediatek processors.

Perfectly matched to your smartphone

The device is designed so that you can safely place your phone in it. A special indentation ensures that your smartphone can be perfectly aligned with the controller, and the camera lens is protected from scratches. With iPega you will enjoy comfortable gameplay without worrying about the safety of your smartphone!

Become a champion in your favorite mobile game

The gamepad is equipped with responsive, easy-to-reach buttons that provide lightning-fast response and allow simple, intuitive control. The controller's sticks rotate smoothly and allow you to precisely target your opponents. This makes it easy to aim and fire a perfectly aimed shot. Beat your opponents in the game, break another record and show who's boss!

Comfortably play where you want

The PG-9217A features an ergonomic, user-friendly design. This lightweight and handy controller fits perfectly in your hands and is easy to transport. You can easily fit it in your bag or backpack. You can always have it with you and comfortably play your favorite games wherever you want - at home, on the train, or even in line at the dentist!
