

## iPega Ninja PG-P4010B wireless controller / GamePad PS4 touc

iPega Ninja PG-P4010B wireless controller / GamePad PS4 touchpad (white)

Ref: 6974363711658

### iPEGA PG-P4010B wireless gaming controller

The iPEGA PG-P4010A pad will allow you to take your gaming experience to a new level. Vibration-generating motors allow you to increase immersion, while 4 programmable buttons allow you to further customize the controller. The device stands out for its wide compatibility and fits perfectly in the hands. It is also equipped with a 6-axis gyroscope and a capacitive touchpad.

### 4 programmable buttons

Customize the pad to your needs and perform even the most complicated combinations with ease. The PG-P4010B offers 4 programmable buttons that you can easily adjust to your preferences. This is your new way to achieve great victories in your favorite games!

### Immerse yourself in the gameplay

Want the most immersion during gameplay? The PG-P4010B pad will be perfect for you! The device is equipped with 2 motors that generate vibrations depending on the events on the screen. The controller also has a 6-axis gyroscope that accurately detects position. As a result, you can enjoy unparalleled smoothness, even when taking extremely sharp turns in a racing game.

### Built-in touchpad

Nowadays, more and more games are taking advantage of touchpad functionality to further enhance gameplay. To let you play them with ease, the PG-P4010B controller has a built-in capacitive touchpad for unparalleled smoothness and precision.

#### Wide compatibility

It doesn't matter what kind of hardware you play on - iPEGA will help you achieve better and better results. The PG-P4010A pad is compatible with most popular devices such as PS3 and PS4, computers, laptops, smartphones and tablets. It works perfectly with Windows 7 / 8 / 10, Android and iOS.

#### Tailored to the needs of gamers

The controller's grips are covered with non-slip, sweat-resistant and pleasant-to-touch silicone. As a result, the device fits perfectly in the hands and provides comfort. Its joystick rotates 360° and guarantees incredible precision, and the LED backlit buttons not only look fantastic, but are also more visible at night. The controller also has convenient-to-use triggers, a built-in speaker and a 3.5mm jack port for connecting headphones.
