

CatLink Baymax deodorizer

CatLink Baymax deodorizer

Ref: 6972884750996

Catlink Baymax litter box air freshener

Does your cat use the Catlink Baymax litter box? Equip yourself with a dedicated air freshener that will provide reliable freshness for up to 60 days! The product not only eliminates unpleasant odors, but also removes up to 95% of ammonia, which is beneficial for your pet's comfort. In addition, it effectively eliminates up to 99% of harmful bacteria, taking care of hygienic conditions in the litter box, and thus - the health of your pet. The use is completely safe, and the installation is smooth and trouble-free.

Elimination of unpleasant odors

Catlink air freshener is an essential accessory for the Baymax litter box. By releasing chlorine dioxide gas (ClO₂) in low concentrations, it effectively removes unwanted odors, as well as disinfecting the litter box and eliminating the gas known as formaldehyde. As a result, your cat will enjoy a clean and fresh environment.

Safe for pets

Don't worry about the safety of your four-legged friend. Catlink air freshener is based on chlorine dioxide gas (ClO₂), which is safe for both pets and humans. It is an agent that takes care of the cleanliness of the litter box, and its effectiveness has been confirmed by the World Health Organization. You can rest assured that Catlink offers a proven solution. Your cat deserves a fresh and clean environment, and you deserve peace of mind and the assurance that odors and germs are effectively eliminated.
