Insta360 Ace Pro Screen Protector

Record dynamic shots without worrying about the safety of your camera. Designed for the Insta360 Ace Pro model, this 2.5D tempered glass will protect the device's display from scratches and other types of damage. It is known for its high durability and perfect fit on the screen, covering its entire surface. Furthermore, with a light transmittance level of 90%, the displayed image remains clear and sharp. It also does not affect the touch sensitivity of the display, allowing for convenient use. The set includes 2 tempered glasses for the Insta360 Ace Pro camera.
