Ocoopa UT4 Young 2x2500 mAh hand warmer, USB-C, black and orange

Ocoopa UT3056 2x2500 mAh, USB-C hand warmer (black and orange)

The Ocoopa UT3056 hand warmers operate in a 2-in-1 magnetic system, meaning that the two modules can operate separately or together for complete flexibility of use. Each module weighs just 65 grams and measures 4.57 x 7.37 cm - as a result, it fits easily into a pocket. The products also act as a powerbank, offering an additional source of energy on the go.

Full control over heat levels

Get ready for chilly days with Ocoop. The heaters offer 3 fine-tuned temperature levels that allow you to adjust the heat level to suit your current needs. Gentle mode delivers heat between 37.8 and 42.2°C, while Cozy offers a range from 42.8 to 47.2°C. For the most demanding conditions, it's worth choosing Hot, which provides temperatures from 47.8 to 52.2°C.

Long-lasting performance

Enjoy reliable heater performance and forget about the need for frequent recharging. Ocoopa heaters are equipped with powerful batteries with a capacity of 2500 mAh each, which provide up to 8 hours of operation. So you can rely on the heat source all day long!

Resistance to harsh weather conditions

With an IP34 waterproof rating, the Ocoopa devices are splash and rain resistant, making them an ideal choice for trips in harsher

weather conditions. The heaters are also dustproof - you can be sure they will serve you for a long time!

#### Certified safety

Ocoopa hand warmers are the only ones to receive UL certification, which confirms the highest safety standards. The devices are equipped with protection against overheating - so you can use them without any worries.

#### Fast charging and powerbank function

Charge your equipment anywhere. Ocoopa heaters act as portable powerbanks, making them indispensable companions on the go. With USB-C ports, devices can be charged in as little as 3.5 hours, and the ability to charge both modules simultaneously further reduces the time it takes to get the heaters ready for use.
