Sothing DSHJ-S-1904B shoe dryer (white).

Don't have time to wait for your damp workout shoes to dry on their own? With the Sothing dryer, your footwear will be ready to wear in no time. This modern device provides fast and safe drying and sterilization, removing moisture and odors. Please note: this product comes with a plug for a Type A outlet. Requires an adapter (not included).

Advanced drying functions

The Sothing DSHJ-S-1904B shoe dryer offers three drying time modes - 3, 6 and 9 hours - which can be adjusted according to the type of footwear and its moisture level. With the ability to heat up to 150°C, the dryer quickly removes moisture from even the thickest materials, such as leather and rubber wellingtons. The built-in 1926 heating holes ensure even heat distribution, which effectively speeds up the drying process and eliminates moisture from every nook and cranny of the shoe.

No more bad smells

The unpleasant smell of damp shoes is a thing of the past. The SOTHING Zero Shoes Dryer not only dries shoes, but also eliminates bad odors and prevents the multiplication of bacteria. As a result, your shoes will stay fresh and you will avoid discomfort.

Safety and convenience of use

Sothing DSHJ-S-1904B dryer is made of heat-resistant material, which ensures complete safety during use. Its compact size and light weight (320 g) make it ideal for use both at home and on the go. You can easily pack it up and take it with you, taking care of your footwear hygiene no matter where you are.
