### Shaver and trimmer 2in1 FLOVES

Take care of your appeal with the FLOVES 2-in-1 device, which consists of a shaver and a tip for trimming nose hair. Reliable blades, the convenience of cordless use and multifunctionality are all you need to achieve the perfect look. The powerful rechargeable battery allows for 120 minutes of use, and cleaning and maintenance of the device will not trouble you. You will also find practical accessories in the package.

### Multiple uses

Enjoy not only convenient beard styling and effective removal of unwanted body hair, but also precise trimming of nose or ear hair. The 2-in-1 FLOVES device is a convenient and practical solution that saves space in the bathroom and makes grooming easier than ever before.

### Cordless operation

Thanks to its long-lasting battery, the FLOVES device can run for up to 120 minutes - long enough to focus on precision trimming and styling. In addition, the battery level indicator allows you to monitor the current status of the shaver. It only takes about 90 minutes of charging to renew its energy.

### An essential in your travel bag

The FLOVES shaver features a travel lock function that prevents accidental activation during transport. Simply hold down the power button for 3 seconds to unlock or lock the device, ensuring maximum safety and convenience while traveling.

### Hassle-free cleaning

Keeping your grooming kit clean won't be a hassle. Simply wash it under running water. In addition, you will find a special brush in the kit, which helps to thoroughly remove any dirt from the blades and hard-to-reach areas. This way you can be sure that the device is always ready to use again.
