TWS Transformers TF-T12 earphones (yellow)

Transform your music experience. The TWS Transformers TF-T12 earphones offer Bluetooth 5.3 connectivity, iOS and Android compatibility and superior Hi-Fi sound quality thanks to Super Restored Sound Quality technology and 13mm drivers. The hardware provides ultra-low sound distortion ($THD \leq 0.1\%$) and active noise cancellation (35 dB ANC), allowing you to focus fully on the audio. You can also make HD phone calls. The ergonomic design guarantees comfortable use. The operating time is about 5 hours on a single charge.

High quality sound

The TF-T12 earphones are equipped with 13-millimeter dynamic drivers that provide a wide frequency response from 20 Hz to 20 kHz. Harmonic distortion of $\leq 0.1\%$ guarantees clear and natural sound, ideal for both music and calls.

Active noise cancellation

With ANC, the earphones reduce ambient noise by 35 dB, allowing you to focus completely on your music or carry on conversations in even the noisiest places. A sensitive microphone ensures clear calls.

Bluetooth 5.3

Bluetooth 5.3 technology guarantees a stable connection and low latency, which is important when playing games or watching movies. The range of up to 10 meters allows you to move freely without losing signal quality.

Comfort and ergonomics

The semi-open, ergonomic design ensures comfortable use even for extended periods of time. Touch panels allow convenient operation without having to reach for the phone. You can use both handsets simultaneously or just one.

Long working time

One charge lets you delight in the sound of your favorite tunes for about 5 hours. Charging via the USB-C port takes about 2 hours, so you can quickly get your gear ready to go.

Included:

TWS Transformers TF-T12 earphones
Charging case
USB-C charging cable
User manual

Manufacturer Transformers
Model TF-T12
Bluetooth version 5.3
Transmission range 8-10 m
Impedance range up to 32Ω
Frequency response 20 - 20000Hz
Sensitivity 106dB
Operating time 5 hours with charging case
Charging time approximately 2 hours
Earphone battery capacity 32 mAh
Color yellow
