Power charger with retractable cable 65W Joyroom TCL02 GaN

Power charger with retractable cable 65W Joyroom TCL02 GaN

The Joyroom TCL02 mains charger will allow you to efficiently charge up to three devices simultaneously. With 65W power and GaN 3.0 technology, it provides stable and safe charging. It will be perfect both at home or in the office, as well as when traveling. The product also has a built-in retractable USB-C cable - no more need to take extra cables with you every time!

Charging three devices simultaneously

One of the biggest advantages of the charger is its ability to charge as many as three devices simultaneously. With a built-in USB-C cable and two ports (USB-A and USB-C), you can quickly charge your laptop, phone and headphones, for example, saving time and space.

Fast charging for laptops and other devices

With up to 65 watts of power, the Joyroom TCL02 is capable of charging more than 98% of laptops at full speed. Whether you're using a laptop, smartphone, tablet or portable gaming console, the charger guarantees fast and efficient charging to keep your devices running smoothly.

GaN 3.0 technology for stable and safe charging

The charger uses GaN 3.0 technology, which makes it stand out for its smaller size, better heat dissipation and higher efficiency. This

translates into much faster, safer and more stable charging!

Wide compatibility

Joyroom TCL02 is a versatile charger. It is compatible with a wide range of devices - from smartphones and tablets to laptops, drones, smartwatches and headphones. As a result, it will work in any situation, providing reliable charging for your devices.

For the sake of safety

With TCL02 charging is not only fast, but also safe. The charger is equipped with an advanced protection system that prevents overvoltage, overcharging, overheating and short circuits, among other things. In addition, lightning protection allows you to use it even during a storm without worry.

Always at hand

The charger features a lightweight, handy design, and its cable can be retracted, making it very easy to transport. You can easily take it with you to the office or on vacation and ensure that you can quickly charge your chosen devices wherever you go!
