Ref: 6972436984282

Colmi M41 smartwatch (black)

With the Colmi M41 you can have all important information at your fingertips. The smartwatch is equipped with an easy-to-read display, so you can easily find the application you need. It works up to 5-7 days on a single charge and will allow you to take care of your health with useful features. What's more, it offers 107 sports modes, games, is water resistant and allows you to make Bluetooth calls.

TFT display

The device offers a 1.90" display that provides HD quality images and consumes little power. This allows you to use the smartwatch's functions comfortably. What's more, the Da Fit app allows you to customize the watch face - choose from a variety of designs.

Durable battery

The smartwatch is equipped with a 230 mAh lithium-polymer battery, which translates into about 5-7 days of operation. On the other hand, the device remains in standby mode for 15 days. The kit comes with a magnetic cable, which will make it easier to charge the smart watch. After about 2 hours, it will be ready to continue working.

Monitoring health around the clock

The smartwatch offers features such as 24-hour heart rate monitoring and blood saturation measurement. As a result, you can monitor

your health and react quickly to alarming symptoms. What's more, it measures the amount and quality of your sleep, which will help you eliminate bad habits - with Colmi M41 you will wake up rested.

Your personal trainer

Colmi M41 provides 107 sports modes, so you can choose from sports such as skating, soccer, volleyball, field hockey and more. In addition, it displays the number of steps, calories burned, workout time and heart rate in real time.

Convenient access to notifications

A new message, an app notification - all this information is now at your fingertips, just by lifting your wrist. What's more, the device is equipped with a speaker and microphone, allowing you to make Bluetooth calls. Talk to your loved ones freely with the Colmi M41.

Additional features

This is not the end of the smartwatch's capabilities! The smartwatch is IP67 water resistant, so you don't have to take it off your wrist for hand washing or in the rain. What's more, it offers various games, voice assistant, menstrual calendar, timer and much more, Choose Colmi M41 and see for yourself!
