

Dual USB charger Mcdodo CH-6720 (EU) Lightning 1m Travel set

Ref: 6921002667203

Dual USB charger Mcdodo CH-6720 (EU) Lightning 1m Travel set (white)

Mcdodo CH-6720 Dual USB Charger (EU) Lightning 1m Travel set (white).

The Mcdodo CH-6720 travel set is a practical solution that allows you to charge two devices simultaneously. Equipped with two USB ports and a 1m Lightning cable, it allows quick and convenient charging of both smartphones and other mobile devices. It's a reliable accessory that's perfect for traveling, guaranteeing full mobility.

Fast and efficient charging

With two USB ports, the Mcdodo CH-6720 charger allows you to charge two devices simultaneously, saving you time. The included Lightning cable ensures compatibility with Apple products, and smart technology adjusts charging power to protect the battery from overheating and extend its life.

Safety and protection for your devices

The charger is equipped with an advanced protection system that prevents overvoltage, overcharging and short circuits, keeping your devices safe while charging. In addition, the housing made of high-quality materials guarantees durability and resistance to damage, making it ideal for everyday use.

Compact and portable design

The Mcdodo CH-6720 set is lightweight and compact, making it easy to transport. Thanks to its compact size, it will fit into any bag, backpack or pocket, making it the perfect travel companion. The universal voltage of 100-240V ensures compatibility with various electrical outlet standards around the world.
