Neakasa P0 Vacuum / Pet Hair Grooming Kit.

The Neakasa P0 Pro is an innovative pet hair grooming vacuum that will make your pet's home spa even more comfortable and efficient. The device is extremely quiet, lightweight and efficient, providing convenience for both you and your pet. With the 5-in-1 grooming kit, you will get rid of excess hair, tangled hair or dirt, leaving your pet neat and clean.

Lightweight and portable design

The Neakasa P0 Pro features a compact and lightweight design, making it easy to carry and store. The built-in ergonomic handle makes the device convenient to carry to different locations, allowing you to groom your pet where it's most convenient.

Electric razor with powerful suction

The electric razor is equipped with powerful suction that immediately sucks away the clipped hair, making the clipping process fast and neat. Four interchangeable attachments (3mm, 6mm, 12mm, 18mm, 24mm) are included, allowing you to adjust the length of cut to your pet's hair type. In addition, the razor has a safety guard, which ensures precise and safe clipping.

Grooming brush with soft bristles

The grooming brush features soft and safe bristles that effectively remove loose hair while preventing knots. With the push of a button,

you can easily remove accumulated hair from the brush. This is a great tool for all types of hair, regardless of its length or density.

Tool for removing undercoat

With the deshedding function, the device effectively removes excess undercoat on dogs and cats, especially those with thick and dense hair. The tool is designed with high-quality steel blades that precisely remove dead hair, while leaving your pet's coat healthy and shiny. The adjustable amount of undercoat removal makes it ideal for grooming even the most demanding breeds.

Convenient cleaning tools

The Neakasa P0 Pro kit is equipped with a cleaning brush and a crevice tool that make it easy to remove hair from clothes, furniture or other hard-to-reach areas. This ensures that your home will always be clean and dander will no longer settle everywhere.

Ultra quiet operation

The P0 Pro vacuum cleaner operates with a noise level of just 48 dB, making it one of the quietest devices on the market. With three levels of suction power to choose from, it provides the perfect match to your pet's needs without causing him or her stress during grooming. As a result, your pet will feel calm and safe throughout the process.
