Ref: 6921002620000

Mcdodo CCA-2000 USB-C to USB-C cable, 60W, self-winding, 1.2m

Mcdodo CCA-2000 USB-C to USB-C cable, 60W, self-winding, 1.2m

The Mcdodo CCA-2000 cable is an innovative solution for those looking for convenience and functionality. With a self-winding feature, this cable not only allows you to quickly charge your devices with up to 60W of power, but also prevents tangling, making it easy to use and ideal for portability.

### 60W fast charging

The 60W power of the Mcdodo cable provides fast and safe charging, ideal for devices with a USB-C port, such as smartphones, tablets and laptops. The ability to charge your phone to 60% in just 30 minutes is a big time saver, while voltage stabilization technology protects your battery from damage.

### Self-winding design

One of the biggest advantages of this cable is its self-winding mechanism, which automatically retracts the cable after use. This keeps the cable tangle-free and easy to store, while keeping it neat and tidy on your desk or in your bag. The compact design makes it convenient in any situation.

### Durable construction and copper core

The Mcdodo CCA-2000 cable is made of high-quality materials, including a reinforced copper core and a durable sheath. This makes the cable resistant to bending and prolonged use, ensuring the longevity of the product. The robust aluminum housing not only protects against damage, but also ensures efficient heat dissipation.

#### Wide compatibility and data synchronization

The cable supports data transfer at speeds of up to 480Mbps, enabling fast file transfers between devices. It is compatible with a wide range of devices, including smartphones, tablets and laptops that have a USB-C port. Thanks to its versatility, the Mcdodo CCA-2000 will work well in any situation, whether for charging or data synchronization.
