

## Mcdodo CA-4170 2-in-1 USB-C cable + Samsung Watch wireless c

Ref: 6921002641708

Mcdodo CA-4170 2-in-1 USB-C cable + Samsung Watch wireless charger, 60W, 1.5m

Mcdodo CA-4170 2-in-1 USB-C cable + Samsung Watch wireless charger, 60W, 1.5m

The Mcdodo CA-4170 is an innovative 2-in-1 cable that combines a USB-C wired charging function with a wireless charger for Samsung Watch. With 60W of power and a 1.5m self-retracting design, it is ideal for those looking for convenience and fast charging.

### Fast wired and wireless charging

The Mcdodo CA-4170 cable supports fast charging of up to 60W, allowing you to charge devices such as laptops, smartphones and tablets in a short period of time. The integrated inductive charger offers up to 2.5W of power, allowing you to charge your Samsung Watch at the same time, saving time and space.

### Durability and flexibility

The cable features a durable, self-retracting design that eliminates the problem of tangled cables. Its flexibility and compact design make it easy to carry and ideal for everyday use, whether at home or on the go.

### Multitasking at the highest level

With the ability to charge different devices at the same time, the Mcdodo cable ensures maximum efficiency. The long 1.5-meter cable allows you to use your devices freely while charging, ensuring full mobility.

#### Compatibility and safety

The cable is compatible with a wide range of devices, including smartphones, tablets, laptops and Samsung watches. Integrated overheat, overvoltage and overload protection features ensure safe charging without risking damage to your equipment.
