

### Mcdodo CH-2460 3-in-1 Qi2 15W wireless charger

Mcdodo CH-2460 3-in-1 Qi2 15W wireless charger

Ref: 6921002624602

Mcdodo CH-2460 3in1 Qi2 wireless charger

The Mcdodo CH-2460 3-in-1 Wireless Charger is the perfect solution for those who value convenience and order. With one device, you'll charge your smartphone, wireless headphones and Apple Watch at the same time, eliminating the need for several different cables and chargers. This compact charging station will fit perfectly into any interior.

Fast and efficient charging

Forget about the long wait for charging - now you can enjoy the full energy of your devices in no time. With a maximum output power of 22.5 watts, the Mcdodo CH-2460 charger offers fast charging for your smartphone (up to 15 watts), wireless headphones (5 watts) and Apple Watch (2.5 watts). In as little as 25 minutes you can renew your iPhone's power 15 to 30%!

Qi2 technology - the latest charging standard

The Mcdodo CH-2460 charger supports the latest Qi2 wireless charging standard, which ensures reliable and safe wireless charging. The Qi2 standard means better charging performance, greater compatibility with modern devices and less energy loss, making it a future-proof choice for years to come.

Refined design

Enjoy complete freedom by choosing vertical or horizontal charging mode. It's ideal for watching movies, making video calls or browsing web content while charging. What's more, thanks to the charger's adjustable viewing angle, you can position your smartphone in the perfect position to use it in the most comfortable way for you.

#### Stability on any surface

The solid base and non-slip features guarantee stability on any surface. Without any worries, you can use the charger anywhere, enjoying full comfort of use.
