Zeblaze GTR 3 Pro Smartwatch (Gold)

Zeblaze GTR 3 Pro Smartwatch (Gold)

The Zeblaze GTR 3 Pro combines art and advanced technology in one smartwatch. The hand-polished stainless steel gives it a sophisticated look, while the slim line and silicone strap provide elegance and comfort for everyday wear. Its 326 PPI display with a brightness of up to 1,000 nits, protected by Corning® Gorilla® Glass with Always-On Display (AOD), guarantees clarity and readability in all conditions.

Health monitoring at your fingertips

Zeblaze GTR 3 Pro is your personal assistant. With features that monitor blood oxygen saturation and continuous heart rate measurement, it allows you to keep track of key indicators of your health. Respiratory exercises, more than 100 sports modes and comprehensive activity measurement motivate you to stay fit and healthy, while your workout results help you track your progress and adjust the goals you plan to achieve.

Convenient communication

With the ability to make calls from your wrist and receive push notifications, the Zeblaze GTR 3 Pro ensures that you never miss an important message or call. The device also supports an offline voice assistant, allowing you to easily manage watch functions without having to reach for your phone.

### Get a good night's sleep

The sleep monitoring feature helps you manage your sleep cycle for better quality rest. It will let you know how much time you spend in deep and shallow sleep phases and correct any bad habits. The GTR 3 also supports an alarm clock function, so you won't miss your alarm.

### Tailored to your style

The watch offers more than 300 dials that can be customized to your preferences, so you can change the look of the watch according to your mood each day. It's also equipped with a powerful battery that lasts up to 14 days in power-saving mode. You don't have to worry about constantly replenishing power.

### Reliability in all conditions

IP68-compliant water and dust resistance means the Zeblaze GTR 3 Pro is made to accompany you on any adventure. Whether you're playing sports or caught in the rain, this smartwatch is ready for the challenges of everyday life.
