Essager ECT45W-LJB02-Z GaN 45W C+A Chargers (white)

Ref: 6971958732685

Essager ECT45W-LJB02-Z GaN 45W C+A Charger (white).

Essager ECT45W-LJB02-Z is a 45W power charger that provides fast and efficient charging for a wide range of devices. Thanks to its ports - USB-C and USB-A - you can charge 2 devices simultaneously, making it an ideal choice for both home and travel. In addition, it stands out for its efficient performance, and a number of safety features protect it from damage.

Fast charging

The charger supports such fast charging protocols as PPS, PD3.0, QC4.0, FCP, Apple 2.4A, AFC, etc., so you don't have to wait long for your device to be ready for further use. What's more, when combined with the PD cable (not included), the charger allows you to charge your iPhone 15 to 50% in just 30 minutes, providing a quick energy replenishment.

Efficient and safe GaN technology

Thanks to GaN SOC technology, the charger is not only compact (94.24 x 41 x 31 mm), but also more efficient in terms of heat dissipation and power management. The trickle charging technology automatically turns on when the device's charge level reaches 80%, which protects the battery from overcharging and extends its life. In addition, the charger adjusts the output according to the connected device, ensuring optimal and safe charging.

Lightweight, compact and versatile

The Essager ECT45W-LJB02-Z is a compact and lightweight charger that can also be used abroad thanks to its universal voltage range. Its compact size makes it easy to fit in a bag or backpack, making it a great choice for travel. It is compatible with Android and iOS devices and powerbanks, desk fans, TWS headphones, or wireless chargers. Equipped with a number of safety features, including short-circuit, overheating and overcurrent protection, it ensures complete safety of use.
