Teclast P85T 2Ghz 8" 4/64 GB 2.4+5G WiFi Tablet (green)

The Teclast P85T tablet stands out from the competition thanks to its versatility and unusual color. It is ideal for users looking for a compact device with advanced features. Its metal casing with a green hue that changes depending on the light gives it an interesting, refreshing look. A 2 GHz octa-core Allwinner A523 processor and Mali-G57 GPU, ensure smooth performance of applications, even those with AR and VR. In addition, the tablet offers expandable RAM up to 8GB, a significant advantage for users who need more space for their data.

Processor performance

The Teclast P85T tablet is equipped with an Allwinner A523 processor with eight A55 cores clocked at 2 GHz. This guarantees high performance when using applications, playing games, and browsing the Internet. Users can expect smooth and fast system performance, which is crucial for daily use.

Graphics and realism

Thanks to the Mali-G57 GPU, based on the Valhall architecture, the tablet handles 3D graphics and applications using augmented and virtual reality (AR&VR) very well. This feature makes it ideal for high-tech and gaming enthusiasts.

RAM and internal memory

The Teclast P85T has 4GB of LPDDR4X RAM, expandable up to 8GB. This gives users flexibility in resource management and the ability to increase performance, especially for more demanding tasks. Internal memory, on the other hand, is 256GB, which can be expanded up to 1TB thanks to a microSD card slot.

Connectivity and communications

The tablet supports WiFi 2.4G and 5G, providing a fast and stable connection to the Internet. Bluetooth 5.2 with AAC and LDAC codecs is another advantage, allowing seamless cooperation with a variety of wireless devices.

Durable battery

The 5000mAh battery allows users to use the tablet for a long time without the need for frequent charging. A working time of, for example, 5.5 hours of Internet browsing, 7 hours of watching movies or 10 hours of reading e-books is a significant advantage for frequent travelers.
