

Deerma HEPA vacuum cleaner filter DEM-CM980W/CM990W Deerma HEPA vacuum cleaner filter DEM-CM980W/CM990W

Deerma HEPA vacuum cleaner filter DEM-CM980W/CM990W.

The Deerma vacuum cleaner filter is an advanced filtration solution that effectively traps fine dust particles, allergens and pollutants for cleaner air in your home. Designed for maximum efficiency, the filter not only improves the quality of vacuuming, but also helps reduce secondary contaminants, protecting your family from allergens. Ideal for those concerned about hygiene and clean air, it is easy to install and compatible with Deerma DEM-CM980W and DEM-CM990W models.
