Smartwatch Zeblaze Beyond 3 Pro (Czarny)

### Zeblaze Beyond 3 Pro Smartwatch (Black)

Zeblaze Beyond 3 Pro is a smartwatch that takes interaction with your device to a whole new level. Receive real-time notifications of messages, calls and activities, all from your wrist! You can also take advantage of GPS, more than 100 sports modes and a range of health features. Zeblaze Beyond 3 Pro is your personal assistant that always keeps up with you - at any time, at any stage of the day.

### Precise GPS tracking for adventure lovers

With built-in GPS, supporting four different satellite systems (GPS, GLONASS, Galileo, BEIDOU), Zeblaze Beyond 3 Pro provides reliable and precise navigation. With the ability to import routes from the Zeblaze Fit app, you'll always be on the right path during your outdoor adventures.

### AMOLED display with impressive brightness

The large 2.15-inch AMOLED display provides the image clarity you need. With a resolution of 415x505p and a brightness of up to 1,000 nits, all details are visible even in bright sunlight. With more than 100 watch faces and Always-on Display, you can customize the look of your smartwatch just the way you like it.

### More than 100 sports modes

With more than 100 sports modes, Zeblaze Beyond 3 Pro is ready to meet any challenge. From outdoor running to weight training and yoga! The smartwatch also intelligently recognizes several activities, allowing you to focus on your workout instead of manually changing settings. What's more, it monitors parameters such as heart rate, calories burned and number of steps.

#### 24-hour health monitoring

Take care of your health 24 hours a day! The smartwatch monitors your blood oxygen levels, stress levels, as well as your heart rate around the clock, so you can react to alarming symptoms in real time. Zeblaze Beyond 3 Pro also monitors the quality of your sleep, analyzing the different phases, including REM sleep, to give you better insight into your habits and well-being. In addition, the watch offers a menstrual calendar to keep you updated on your menstrual cycle.

#### Your personal assistant

Manage your calls, messages and notifications right from your wrist! Zeblaze Beyond 3 Pro supports Bluetooth calling - you can end calls, dial numbers or check your recent call history. Notifications from apps such as Gmail or SMS are also available, so you won't miss any important information, even during your workout.

#### Always ready for action

With a capacious 300 mAh battery, the Zeblaze Beyond 3 Pro can last up to 25 days in power-saving mode, 14 days with typical use, and 76 hours with continuous GPS use. Whether you're going for a long workout or a brisk walk, this smartwatch will always keep up with you.

#### Features that will make everyday life easier

Zeblaze Beyond 3 Pro is more than a smartwatch - it's your indispensable everyday companion. Check the weather forecast for days ahead, set alarms and reminders so you never miss important moments, and manage your music and control your phone's camera right from your wrist without reaching for your smartphone. Features such as breathing exercises will help you regain your composure when you need it most. The smartwatch will also remind you to hydrate and wash your hands regularly. And when your phone gets lost somewhere, the "find my phone" function will make it easy for you to locate it!
