Foneng EU54 USB-A, 3A Power Charger (White) + USB-A to Lightning cable
Foneng EU54 USB-A, 3A Power Charger + USB-A to Lightning cable is an advanced device that provides fast and efficient charging up to 18W, supporting the most popular fast charging protocols such as QC2.0/3.0, PD2.0/3.0, AFC, FCP and PPS. Using GaN (gallium nitride) technology, it is more efficient and compact, while generating less heat. The USB-A port offers 18W fast charging, allowing you to replenish your devices safely and instantly. Its sleek design with a unique pattern on the case gives it a modern look, and its compact size makes it perfect for both home and travel. The Foneng EU54 is ideal for those who value speed, reliability and versatility of charging.
