Foneng XS05 100W USB-C to USB-C cable (black)
The Foneng XS05 cable is ideal for those who value reliability and fast charging. With 100W power support, you'll be charging your devices in no time, saving time and energy. The sturdy connector made of zinc alloy ensures not only an aesthetically pleasing appearance, but also exceptional durability. The thick, braided construction of the 1.2-meter-long cable protects it from abrasion, bending and other damage, guaranteeing long-lasting use.

Built-in digital display and versatility
The Foneng XS05 is equipped with a practical digital display that shows the operating status of the device in real time. This gives you full control over the charging process, ensuring the safety and performance of your equipment. This cable is compatible with devices with a USB-C to USB-C interface, allowing you to tailor it to your needs. The Foneng XS05 will work perfectly, providing versatility and convenience in everyday use.
