Foneng EU51 USB-C 25W mains charger + USB-C - USB-C cable (black)

Foneng EU51 USB-C 25W mains charger + USB-C - USB-C cable (black).

The Foneng EU51 USB-C 25W mains charger + USB-C - USB-C cable is a powerful and versatile solution for those in need of fast charging. With GaN (gallium nitride) technology, it offers up to 25W of power, allowing you to charge your phone up to 60% in just 30 minutes. It supports multiple fast charging protocols, including Samsung PPS, FCP, SCP, AFC, DCP, QC2.0/3.0/4.0 and PD3.0, ensuring compatibility with a variety of devices, including the full range of smartphones from IP8 to IP15. The charger comes with three different types of plugs (EU/UK/US), making it ideal for worldwide travel. The advanced GaN chip maintains a constant temperature, ensuring safe charging even during heavy use. In addition, built-in safeguards protect against overvoltage, overheating and overload. A fast charging cable is also included to further speed up the charging process.
