ENCHEN Boost 2 electric shaver

The ENCHEN Boost 2 shaver is an advanced grooming device that combines modern design with functionality. With its long run time, powerful motor and wide range of cutting length settings, the ENCHEN Boost 2 allows you to create a variety of styles at home.

Adjustable length settings

The shaver offers 7 comb length settings, allowing you to fine-tune the length of the cut from 3mm to 21mm. This is ideal for those who prefer variety in their styling, from a very short buzzcut to elegant hairstyles such as a pompadour or quiff.

High-powered motor

Utilizing a powerful 6,000 RPM motor, the ENCHEN Boost 2 delivers smooth and effortless haircuts. The ceramic blades are skin-safe, stay sharp for longer and effectively cut through even the thickest hair, making it the ideal tool for any hair type.

Long working time

The ENCHEN Boost 2 shaver provides up to 200 minutes of uninterrupted use on a full charge, allowing for comprehensive grooming without the need to constantly charge the device. It takes just 2.5 hours to fully charge the device, which significantly reduces the time you have to wait until the device is ready for use.

Versatile use

The device is ideal for grooming not only hair, but also beards and hair all over the body. Its versatility makes it an excellent choice for those looking for a versatile home grooming solution.

User-friendly for every user

Ease of use and safe operation make the ENCHEN Boost 2 suitable for both beginners and experienced users. The shaver has an easily removable head that you can wash under running water for easy cleaning and maintenance. What's more, with travelers in mind, the ENCHEN Boost 2 has a smart travel lock that prevents the device from accidentally turning on.
