

Power charger with display 140W LDNIO A6140C 3x USB-A + 3x U

Power charger with display 140W LDNIO A6140C 3x USB-A + 3x USB-C, US/UK/EU (black)

Ref: 6933138601402

LDNIO A6140C 3x USB-A + 3x USB-C, US/UK/EU (black) mains charger with display 140W.

The LDNIO A6140C mains charger combines not only powerful 140W power, but also advanced functionality with an LCD display. With six charging ports (three USB-A and three USB-C), it is ready to meet the demands of the most demanding users and their devices. The kit includes interchangeable US, EU, and UK plugs and cables, making it the perfect companion both at home and on the go.

Charge faster

The LDNIO A6140C supports a wide range of fast charging standards, including QC5, PD3.0, and PPS, ensuring compatibility with the latest smartphones, tablets, and laptops. Each USB-C port can deliver up to 100W of power, allowing even the most power-hungry devices, such as laptops and large tablets, to charge instantly.

Maximum versatility with 6 USB ports

The A6140C offers up to six charging ports: three USB-A and three USB-C. This variety of ports allows for simultaneous charging of multiple devices, from smartphones and tablets to laptops and other mobile accessories, making it ideal for families, offices, or tech enthusiasts with multiple gadgets.

Smart charging with display

The LDNIO A6140C charger is equipped with an LED display that shows the current power for each charging port with up to 3% precision. The display illuminates the status with various symbols: full illumination when the device is turned on, a direct display of power while charging, and a green lightning bolt symbol that lights up during fast charging. In addition, when there is no load, the screen remains inactive.

Ideal for travelers

The charger comes with interchangeable US, EU, UK plugs, making it the perfect travel companion. No matter where you are, the LDNIO A6140C will adapt to local power standards, and the included 1.5m extension cable and USB-C to USB-C cable provide added convenience and mobility.

Safety first

With safety in mind, the LDNIO A6140C is equipped with advanced safety features that reliably protect against surges, overcurrents, overcharging and overheating, among other things. No matter how intensively you use the charger, you can rest assured that your devices are safe.

Included:

Charger Interchangeable US/EU/UK plugs x3
1.5m extension cable
USB-C to USB-C cable
