

## BlitzWolf BW-AL1 LED RGBx2 desk lamp

BlitzWolf BW-AL1 LED RGBx2 desk lamp

Ref: 5906168439209

BlitzWolf BW-AL1 LED RGBx2 desk lamp.

The BlitzWolf desk lamp is the perfect solution for creating a unique atmosphere in any interior. It offers 10 colors to choose from, syncs with music and responds to ambient sounds to create interactive lighting effects. With an intuitive app and included remote control, it's incredibly easy to control, and its compact, minimalist design makes it fit perfectly into any space. Powered by USB, it provides convenience and functionality for everyday use.

Create an unforgettable atmosphere

The lamp provides a unique immersive atmosphere, perfect for work, relaxation or gaming sessions. With 10 colors to choose from, you can customize the lighting according to your preferences, creating exactly the mood you need. Create static lighting or mix colors to create gradient effects.

Synchronize with music and surroundings

The BlitzWolf BW-AL1 lamp not only illuminates, but also responds to ambient sounds to create an interactive atmosphere. Using Sound Pickup technology, it synchronizes with music and offers different modes such as rock, jazz, and classical music, providing a captivating visual experience while listening to your favorite tunes.

#### Intuitive control

Controlling the lamp is extremely easy and convenient. With an Android and iOS compatible phone app, you have full control over sound and color settings. A remote control is also included, allowing you to easily manage the light without having to reach for your phone. Remote control has never been so easy!

#### Elegant design and functionality

With its compact size and minimalist design, the BlitzWolf BW-AL1 lamp fits perfectly into any interior, adding a modern touch. In addition, the timer function allows you to schedule lighting effects that turn on or off at selected times, providing convenience and energy savings.

#### Convenient power supply

The lamp is powered by an integrated USB cable, allowing it to be easily connected to a computer or laptop. Choose the BlitzWolf BW-AL1 LED lamp and enjoy a unique atmosphere that adapts to your lifestyle and tastes.
