Orico W5P-100 USB to 4x USB 3.0 Hub Adapter (black)

Ref: 6942227120403

Orico W5P-100 USB to 4x USB 3.0 Hub Adapter (black)

The Orico W5P-100 USB to 4x USB 3.0 Hub Adapter (Black) is a versatile device that enhances the capabilities of your equipment by providing additional USB 3.0 ports. With this adapter, you can simultaneously connect multiple devices such as keyboards, mice, external drives and even cell phones. The compact design and minimalist design make it an elegant addition to any desk, which not only makes work easier, but also looks stylish.

High functionality and speed

The Orico W5P-100 adapter allows you to connect four USB devices simultaneously, providing high-speed data transfer thanks to USB 3.0 technology, which reaches speeds of up to 5 Gbps. That's ten times faster than USB 2.0, making transferring large files such as movies or high-resolution photos lightning-fast. Combined with an external power function via the Micro B port, the adapter can power devices with higher power requirements, making it even more versatile.

Modern design

The adapter is distinguished by its classic rectangular shape and minimalist design, which fits perfectly into modern interiors. The matte surface is resistant to fingerprints, allowing you to keep the device clean, and the subtly engraved logo adds to its elegance. Thanks to its compact size, the adapter is easy to carry and fits perfectly in a bag or pocket, making it a perfect solution for people working in

different locations.

Full control over the operation of the device

The Orico W5P-100 hub is equipped with a soft blue LED indicator that informs you about the working status of the device. This way you always know if the adapter is active and ready for use, which increases the comfort of use and allows easier management of connected devices.

Use with a wide range of devices

The adapter is compatible with most devices that have a USB 3.0 interface, making it extremely versatile. You can use it to connect among others. cell phones, keyboards, mice, scanners, printers, and even camcorders and game steering wheels. Whether you're working in the office or gaming at home, the Orico W5P-100 adapter will work in any situation, providing convenience and reliability.
