Orico 2520 HDD/SSD 2.5" drive enclosure, 5Gbps, USB-A to USB Micro-B (black)

Orico 2520 HDD/SSD 2.5", 5Gbps, USB-A to USB Micro-B Drive Enclosure (black)

The sleek and portable Orico 2520 hard drive enclosure is designed for secure and comfortable data storage. Made of durable materials, it perfectly fits 2.5-inch hard drives with SATA interface, guaranteeing reliable protection, 5 Gbps transfer rate and a capacity of up to 6 TB. Thanks to its compact design, it is perfect for businessmen and non-businessmen alike.

Reliable enclosure for demanding users

The Orico 2520 2.5" HDD/SSD enclosure is an excellent choice for professionals who need a reliable and fast storage tool. Compatible with 2.5" HDDs and SSDs, it offers an impressive capacity of up to 6TB, making it perfect for working with large files. From now on, you don't have to delete old files for fear of running out of disk space.

Lightning-fast data transfer and robust design

The Orico 2520 delivers an incredible data transfer speed of up to 5 Gbps, supported by the USB 3.0 protocol, allowing for a maximum transfer rate of up to 490 MB/s. The lightweight yet rugged, shatterproof casing guarantees the safety of stored data. In addition, the built-in cotton insert provides additional protection for the drive, minimizing the risk of damage.

Wide compatibility and easy installation

Thanks to tool-free installation, the mounting process is quick and easy, and the ability to connect to a variety of devices such as smartphones, TVs and PS4 consoles, as well as work on various operating systems, including Windows, Linux, Mac OS and Android, makes the enclosure extremely versatile and reliable in any situation. In addition, the chassis supports plug-and-play functionality, making it even more intuitive to use.
