Orico 240W USB-C to USB-C charging cable, 1.5 m (black)   Ref: 6941788830165
Orico 240W USB-C to USB-C charging cable, 1.5 m (black)

Orico 240W USB-C to USB-C charging cable, 1.5m (black)
The Orico charging cable is a breakthrough solution for users looking for ultimate performance. Offering an impressive 240W of Power Delivery (PD) power, this multi-functional Type-C cable provides not only super-fast charging, but also superior data transmission of up to 40 Gbps. With support for 4K@60Hz dual-screen and 8K@60Hz single-screen media display, the cable is the ideal choice for both work and entertainment.

Versatile compatibility and reliable performance
The cable is successfully compatible with a wide range of devices - from smartphones, headphones and cameras to TVs, electric stoves and even cordless vacuum cleaners. With support for 48V/5A output power and PD 3.1 protocol, the cable ensures safe charging of various devices. TVS material that can withstand high voltages of up to 50V and smart E-Marker chips that automatically adjust current ensure safe and stable charging in any situation.

Durable design and ease of use
The Orico cable is made of nylon braid for exceptional durability and resistance to damage, and with a length of 1.5 meters, you can easily connect to the devices of your choice. It's not only durable, but also easy to manage and organize, making daily use easy. Compatibility with devices from well-known brands, such as Apple, Huawei, Dell, Xiaomi, Lenovo and HP, makes it a versatile tool that
