1MORE EarBuds S31 OPEN wireless headphones (black)

Discover new nuances of your favorite music with the 1MORE S31 Open headphones. Inside each earphone hides a powerful 14mm driver that delivers clear, detailed sound. Their open design allows sound to flow freely for an even better audio experience. They offer up to 8 hours of use, and with IPX5 water resistance, they will be a great choice for active people.

Immerse yourself in a world of great sound

Feel every sound as if you were hearing it for the first time. Featuring 14mm dynamic drivers, the 1MORE S31 headphones offer sound with unprecedented clarity. Thanks to advanced directional sound technology, you can enjoy the richness of sound that surrounds you from all sides, transporting you right into the middle of your favorite music. In addition, the bass enhancement algorithm emphasizes the low frequencies for deeper and clearer bass sound.

Crystal clear conversations

Feel like you're talking face-to-face, wherever you are. The 1MORE S31 Open headphones feature 4 microphones, 2 per earpiece. Thanks to the advanced DNN (Deep Neural Network) noise cancellation algorithm, you can talk freely on the phone, even in noisy environments.

Wireless freedom with Bluetooth 5.3

Wireless freedom has never been more affordable. With the latest version of Bluetooth 5.3, the S31 Open offers a seamless connection to your device, providing smooth audio streaming without lag. Plus, pairing the headphones with your smartphone or tablet won't be a challenge for you.

Music for longer - up to 30 hours of playback

You don't have to worry about interruptions to your favorite playlists. The S31 Open provide up to 8 hours of continuous use, and with the charging case you can enjoy the sound for up to 30 hours. Put on the headphones and immerse yourself in sonic delight all day long!

Ready for any adventure

Let nothing stop you from enjoying your favorite music, even during an intense workout or rainy weather. The S31 Open headphones are IPX5 waterproof certified, providing durable protection from sweat or rainfall.

Lightweight you'll appreciate

Designed with comfort in mind, the S31 Open headphones are not only stylish, but also lightweight. Each earphone weighs just 8.2 grams, which means you can listen to music all day without feeling discomfort. Their silicone-coated ear hooks conform perfectly to the shape of your ears, ensuring stability regardless of the intensity of your activity.
