Joyroom Fit-Life JR-FT5 Plus Smart Watch (pink)

JR-FT5 Plus Joyroom Fit-life Series Smartwatch (pink).

Ready to take control of your day? With the Joyroom JR-FT5 Plus, anything is possible! This versatile smartwatch is not only a fashion accessory, but more importantly, your reliable partner in daily challenges. Whether you're monitoring your health, planning an intense workout, or need quick access to notifications, the JR-FT5 Plus is always with you.

Larger and brighter TFT display

The 1.96-inch TFT display is the heart of this smartwatch. With a resolution of 320 x 385 pixels, every detail - from the time to the number of steps and heart rate - is visible in top quality. In addition, the watch's various dials allow you to customize the look to suit your style, and the always-on display function allows you to conveniently check the time without worrying about rapid battery drain.

Ready for any conditions

The JR-FT5 Plus is a smartwatch that is not afraid of water. With a water resistance rating of 1 ATM, the watch can withstand submersion up to 10 meters, making it the perfect companion for rainy days and intense workouts. Whatever the conditions, your watch will be ready for any challenge.

Two types of straps to choose from

The JR-FT5 Plus smartwatch provides full wearing comfort. You will find 2 types of straps - magnetic and silicone. The magnetic band provides maximum wearing comfort, fitting perfectly on your wrist, while the silicone strap will be perfect for intense workouts.

Comprehensive health monitoring

Monitor your health around the clock! The JR-FT5 Plus allows you to track your heart rate, blood oxygen levels, sleep quality and stress levels. In addition, a breathing exercise function and menstrual cycle reminder are available, making it an indispensable tool for taking care of your health.

Up to 12 days of use

Forget about frequent charging! The JR-FT5 Plus provides up to 12 days of use on a single charge, and thanks to its magnetic charging cable, the watch is ready to go in just 2.5 hours of charging. The reliability you need every day!

Bluetooth connections at your fingertips

The Joyroom JR-FT5 Plus smartwatch offers the ability to make and receive calls via Bluetooth for maximum convenience and freedom. With a built-in microphone and speaker, you can make calls without having to reach for your phone. With one touch, answer calls, call back and even contact emergency numbers - all directly from the watch.

Everything you need on your wrist

With a wide set of features such as weather forecast, call and message reminders, stopwatch, timer, and the option to remotely control your camera and music player, the Joyroom JR-FT5 Plus becomes your personal assistant. Everything you need is at your fingertips - without having to reach for your phone.
