Ref: 6955578044595

Deerma DEM-KZ30W fat-free fryer.

The Deerma DEM-KZ30W fat-free fryer guarantees perfectly crispy and juicy food. The unit uses high-temperature air circulation to bake evenly while preserving the natural flavor and juices of the food. The intuitive control panel with knob allows easy adjustment of time and temperature. The transparent lid with window allows you to monitor the cooking process, and the 3-liter capacity allows for convenient cooking for the whole family. In addition, the automatic shut-off function when the basket is removed and easy cleaning ensure comfort and safety of use.

Healthy and low-calorie cooking

Lead a healthier lifestyle without giving up enjoying delicious food. Deerma DEM-KZ30W fryer eliminates the need to use a lot of oil. The meals prepared in it are low in calories, while retaining the fullness of flavor. The high temperature effectively seals the juices in the food, creating a crispy crust and juicy interior.

Even cooking

Thanks to the advanced air circulation system, the device provides 360-degree even baking, resulting in perfectly browned food. The fryer guarantees perfect crispness on the outside and juiciness on the inside.

Culinary inspiration

Start your culinary adventure with the Deerma DEM-KZ30W - the appliance offers a variety of guidelines to help you prepare new, tasty snacks. Thanks to the suggestions at the top of the fryer, you can experiment, creating healthy and tasty dishes for any occasion. Just choose the right program to enjoy ready-made dishes in just a moment.

Intuitive operation and multifunctionality

The adjustment knob allows you to set the temperature and cooking time, so even novice cooks can prepare tasty meals with ease. The fryer also offers multiple cooking programs, allowing you to prepare a variety of dishes from French fries to cakes. In addition, the appliance automatically shuts off when the basket is pulled out, making it safer to use and minimizing the risk of burns.

Thoughtful design

The baking basket and tray are made of food-safe materials. Cleaning the fryer will not cause you any difficulties - its parts can be easily disassembled to remove food residues. The design of the roasting tray allows fat and oil to drip from the food to the bottom of the basket, which can help reduce the fat content of cooked food.
