TESSAN power strip TS-FS02DE00

Ref: 6975799311498

TESSAN TS-FS02DE00 power strip.

Need a charging station that can meet the demands of multiple devices simultaneously? The TESSAN TS-FS02DE00 is an innovative 8-in-1 power strip featuring advanced 65W GaN technology for fast and safe charging. With a compact and vertical design, this charging station not only saves space, but also increases the efficiency of your workspace.

### Multifunctionality and fast USB-C charging

The TESSAN TS-FS02DE00 offers up to 6 USB ports - 4 USB-A ports and 2 USB-C ports, allowing you to charge up to 6 devices such as smartphones, tablets, headphones or other electronic gadgets simultaneously. The two USB-C ports support fast charging, allowing you to charge your device's battery up to 85% in just one hour.

### Compact design

With dimensions of 7.6 x 6 x 13.4 cm and a weight that allows for easy portability, the TESSAN TS-FS02DE00 is perfect for business and vacation travel. You can easily pack it in your bag and take it with you to enjoy convenient access to power anywhere. The additional 2-meter cable provides flexibility and freedom to set up the charging station anywhere.

### Stability and security

The TESSAN TS-FS02DE00 power strip is designed with safety of use in mind. Equipped with rubber feet, it guarantees stability during charging, eliminating the risk of tipping over or shifting. In addition, advanced GaN technology ensures efficient heat management, which protects your devices from overheating and overloading.
