

DJI RS Briefcase Handle

DJI RS Briefcase Handle

DJI RS Briefcase Handle for Ronin stabilizers

Make it easier to record stunning shots. The redesigned Briefcase Handle is smaller and lighter, making storage and transportation hassle-free. It's equipped with a handle, as well as a cold shoe mount and 1/4"-20 mounting holes that allow you to connect external monitors to aid your recording. As a result, you can enjoy more intuitive camera movements when shooting from a low angle. What's more, the Briefcase Handle can be mounted on the NATO port without any additional tools, allowing you to get started even faster.

Ref: 6941565935458
