Case B&W type 4000 for DJI Mavic 3 / Mavic 3 Cine black

### DJI Mavic 3 B&W drone case type 4000

This practical case by B&W allows you to safely store your DJI Mavic 3 / DJI Mavic 3 Cine drone and selected accessories. It is extremely roomy, and thanks to the hard foam insert it provides reliable protection for the devices placed in it. It was also equipped with an additional pocket for documents and small items. Now you can always have everything you need at hand.

### Solid

The suitcase is made of excellent quality polypropylene, making it extremely durable. It is also distinguished by being IP67 waterproof and dustproof. No dirt will get into it. It will provide reliable protection for your drone regardless of the weather conditions - even in temperatures from -30°C to 80°C. What's more, the automatic valve allows you to safely use it also in environments with high pressure differences.

### Spacious

Freely transport your drone and all the necessary accessories. The case is very spacious, and thanks to special compartments it is easy to keep order. You can fit not only your Mavic 3 or Mavic 3 Cine, but also the DJI RC-N1 or DJI RC Pro, 6 smart batteries, charging hub, charger, charging cable, propellers, 2 ND filters and other accessories. There is an extra pocket in the lid of the case to store propellers, tablet or documents such as drone insurance.

#### User-friendly

Using the suitcase is extremely convenient. Specially designed latches allow for quick opening and closing. Rubber finish of the handle provides comfort of use and makes the product easy to carry. As many as 2 additional holes allow you to lock the case with a padlock (Ø7mm) - this way you increase security and reduce the risk of theft of your drone or accessories. You can also charge up to 3 batteries directly in the case. Note: the case must be open when charging the batteries.
