Diamond Glass Knife Deli Tools EDL2701

Ref: 6974173019180

Diamond Glass Oil Knife Deli Tools EDL2701

The Deli Tools Glass Knife EDL2701 is made of high quality materials to ensure effective performance. The diamond cutting edge makes a perfect cut and the sturdy handle provides stability. What's more, there is an oil reservoir in the handle to lubricate the blade during cutting. This ensures greater efficiency and protects the tool from damage.

Quality craftsmanship

The blade is manufactured using tungsten steel (YG5) and carbon steel (#36). What's more, the handle is fully rotatable, which ensures freedom of movement when cutting. The head can easily be removed to replace it with a new one. In combination with the diamond blade, the overall design guarantees excellent performance with equally high comfort of use.
