Camping lamp Superfire T31, 320lm, USB

Ref: 6974760350344

Superfire T31 camping lamp

Superfire T31 camping lamp is ideal for camping and more. It can shine with white and yellow light and allows you to adjust the brightness in several steps. It is also distinguished by a long operating time, which reaches 7 hours on a single charge. The device is also lightweight and handy, yet durable. What is more, a special handle and a carabiner allow to hang it comfortably in a chosen place.

One light - 2 light sources

The T31 is equipped with 18 LEDs, which make it easy to use. T31 is equipped with 18 diodes generating white light (color temperature 5900K) and 8 diodes generating yellow light (color temperature 3000K). In the case of both white and yellow light, it is also possible to adjust the brightness in 3 steps. In total there are 6 light modes available - White Low Light, White Medium Light, White Strong Light, Yellow Low Light, Yellow Medium Light and Yellow Strong Light.

Optimum illumination

The T31 has a 360° angle of illumination. What's more, in the case of yellow light the device can illuminate an area of about 13m², and in the case of white light even 27m². This means that it is perfect for camping or camping. In addition, the lamp provides eye-safe light that does not glare or blink. You can successfully use it, for example, while reading a book.

Long operating time

What else makes the T31 so good for camping? Long runtime! The device is equipped with a durable battery with a capacity of 2000mAh. In the case of the white light, it can continuously generate light for about 3.5 hours and in the case of the yellow light, for up to 7 hours. The built-in micro USB port allows you to charge the lamp with a charger, powerbank or even your laptop.

Handy and durable

This light and portable lamp can accompany you almost anywhere. It is made of high-class PC and ABS, which makes it resistant to wear and damage, tough and extremely durable. Moreover, special metal handle and included carabiner allow you to easily hang T31 on a branch or in a tent, or attach it to your backpack.
