Wireless Ergonomic Mouse Delux M618XSD BT+2.4G RGB (blue)

Wireless Ergonomic Mouse Delux M618XSD BT+2.4G RGB (blue)

The Delux M618XSD Wireless Vertical Mouse will satisfy even the most demanding users. It's simple and easy to use, with an OLED display that makes it even easier. It has a 5-step DPI adjustment up to 4000, and thanks to its rechargeable 1000 mAh battery it offers a long working time. You can connect your mouse to your computer in 3 ways.

DPI adjustment

Customize the mouse to your needs. The M618XSD provides 5-way adjustable speeds up to 4000 DPI. This makes it perfect for everyday use, work or even gaming. Windows users can also use the software to further customize the mouse experience.

3 ways to connect

The mouse has 3 ways to connect - choose the one that's right for you! If you don't want to worry about battery life, connect it to your computer with a cable. Or connect it wirelessly using Bluetooth 4.0 or 2.4G. Plus, you can connect your mouse to 4 devices at the same time.

Long battery life

With its long-lasting battery, the mouse can run for up to 2 weeks on a single charge, assuming you use it for about 8 hours a day. To

charge it, simply connect it to a power source using the included USB-C cable.

Ergonomic design

The M618XSD mouse fits perfectly in your hand and provides unparalleled comfort. Wrist pain and fatigue are a thing of the past! The device is made of high quality materials, so it feels pleasant to the touch and is durable. The built-in OLED display allows you to conveniently check the battery capacity, current connection mode and DPI, and an additional knob allows you to operate the mouse with your thumb. A magnetic wrist rest is also included.

Configurable backlighting

The device attracts attention with its modern, original design. It features colored backlighting that makes it unique. You can customize it with software available for Windows users. Plus, it detects movement - when you bring your hand close to the mouse, the backlight automatically turns off.
