Limural LM-7250+7256 electric trimmer and clipper

Do you want to save time and money? Choose a set by Limural and enjoy comfortable hair and beard styling at home. In the set you will find an electric razor to cut your hair and a trimmer to style your beard and hairstyle. The cordless and silent operation gives you maximum comfort and the powerful batteries ensure long battery life. It is ideal for the whole family.

Styling safely at home

The hair clippers and trimmers have powerful rotary motors that make them run smoothly and efficiently, but also safely. So you can forget about hair pulling, discomfort or cuts. The removable stainless steel blades are durable and provide high precision and comfort. In addition, the trimmer allows you to cut within 0.1 mm, so you can use it to create creative designs.

Surprisingly long working time

The electric clippers and trimmer have powerful rechargeable batteries, so you can use them without worrying about them running out of power. The razor lasts 300 minutes on a single charge, while the trimmer lasts 120 minutes. The USB cable allows for quick charging, and a special indicator will let you know the battery status.

The perfect travel companion

The 100-240 volt compatibility means you can use this set practically anywhere in the world. So pack your razor and trimmer in your suitcase or backpack and style your hair and beard on vacation or during a business trip. Its small size and compact design make it easy to transport, while its cordless operation makes it comfortable to use.

A comprehensive range

In addition to the electric clipper and the trimmer, the set includes comb attachments which make it easier for you to style, cut and shorten your hair and beard in different ways. The package includes 2 comb attachments for the razor, which offer lengths of 3 mm / 6 mm / 9 mm / 12 mm, as well as 4 comb attachments for the trimmer with lengths of 1.5 mm / 3.0 mm / 4.5 mm / 6.0 mm. The package also contains, among other things, a practical cape, comb and cleaning brush.

Become your own hairdresser

The ergonomic design, low weight and cordless operation make the Limural set the perfect tool for self-styling. Thanks to that you can save money and take care of your hair and beard yourself. The devices ensure high safety, so you don't have to be afraid of cuts. The razor works really quietly, so you can use it to cut children's hair.
