

Electrical insulating tape Deli Tools EDL5261, 10m

Ref: 6974173017643

Electrical insulating tape Deli Tools EDL5261, 10m

Deli Tools Insulating Tape EDL5261

Deli Tools EDL5261 insulating tape is useful for home repairs, electrical work and transportation. It has high flame resistance and durability while maintaining excellent insulating properties.

High durability

The tape is characterized by high durability and resistance to fire. It retains its properties at temperatures in the range of 0-80°. It is suitable for electrical insulation up to 600V. Moreover, it is made of environmentally friendly PVC material. Opt for high functionality and durability - without compromising on quality!
