Lithium Glue Gun HOTO QWRJQ001

Lithium Glue Gun HOTO QWRJQ001

Ref: 6974370800413

The HOTO brand is part of the Xiaomi ecosystem.

Lithium Glue Gun Hoto QWRJQ001

Unleash your creativity and make small repairs easier. You will be helped by the Hoto QWRJQ001 hot glue gun, which heats up quickly and successfully bonds different materials. The 2,000 mAh rechargeable battery provides long runtime, and the USB-C port allows for convenient charging. The smart chip maintains the optimal temperature, and the gun will automatically turn off after 3 minutes of no use. Anti-burn design and low weight are other advantages of the model.

Fast and efficient

The hot glue gun has a high-end heating element, so it heats up in no time. The built-in sensor keeps the temperature at the right level for a perfect glue flow, while the brass nozzle stands out for its high heat conductivity for convenient glue application.

Well designed

Thanks to its well-balanced design you can put the gun down on a table or desk and the device will remain stable in an upright position.

The gun has been coated with heat-resistant and environmentally friendly silicone. The material perfectly insulates against heat, so you do not have to worry about burns.

For the whole family

The Hoto glue gun QWRJQ001 is light and handy, and the smart chip maintains the optimum temperature. Double insulation prevents burns, making the QWRJQ001 a great product for children too. What's more, the device will automatically turn off after 3 minutes of inactivity, ensuring safety. The PC plastic overlay means you can stow it away almost as soon as you're done.

High-capacity battery

Don't worry about the QWRJQ001 running out of power when you least expect it. It is equipped with a powerful 2000 mAh battery that allows you to use up to 100 meters of glue when fully charged. Convenient renewal of energy is enabled by the built-in USB-C port - you can use a charger or a powerbank.

Glue included

The kit comes with 10 colored glue cartridges. They are 7 mm in diameter and 125 mm in length. They ensure strong gluing and solid joining of materials, and are also environmentally friendly. Thanks to its carefully thought-out design, the gun allows you to apply the glue evenly - making DIY, repairs or work even easier.

Includes:

Hot glue gun

10x cartridges 125 mm

Manufacturer

HOTO

Name

Lithium Glue Gun

Model

QWRJQ001

Glue cartridge length

125 mm

Glue cartridge diameter

7 mm

Heating time

Approx. 30 s

Battery type

Lithium

Battery capacity

2000 mAh

Nominal voltage

4 V

Charging parameters

5 V - 1 A

Charging time

Approx 120-180 min

Dimensions

135 x 127 x 35 mm

Weight

195 g

Preço:

€ 28.50
